

MIDAS COINS

MIDAS COINS

Who said all that glitters is not gold? They must not have played Midas Coins.

Welcome to ancient Greece and the land of King Midas. As legend has it, everything this king touches turns to gold. Slightly annoying for him perhaps, but great for you.

There's an abundance of bling on these reels: rings, necklaces, earrings, and more. All in that sweet glittering gold.

In this 5x3 slot with 25 lines, the game mechanics include a Coin Collect feature (collect coins to grow your stack), an All is Golden Free Spins bonus where you can grow your stack even more, plus a Bonus Buy feature (pay to get instant entry to the Free Spins bonus)!
