Game Features

Dinosaur Rage! Free Spins

In the Dinosaur Rage! Free Spins bonus, you can get up to 25 free spins! Landing 3 or more Nest Scatter symbols on the reels will award you the following:

3 Nest Scatter symbols award 10 Free Spins and 1 upgrade

4 Nest Scatter symbols award 15 Free Spins and 2 upgrade

5 Nest Scatter symbols award 25 Free Spins and 3 upgrade

For each upgrade: a random Dinosaur symbol will become Enraged. Each Enraged Dinosaur will grow to 4 symbols high and activate the Pay Anywhere feature.

Free Spins Re-Trigger

Nest Scatter symbols are available during Free Spins. Landing 3 or more of these will activate the regular Free Spins bonus and Upgrades.

When all Dinosaurs are Enraged, each upgrade increases the total Free Spin multiplier by 1x.

Pay Anywhere

The popular Pay Anywhere feature means that a symbol pays for all the symbols that are present on a way, even if they're not connected left to right.

For example: If you fill the last 4 reels with a Pay Anywhere symbol (but not the first reel), this will pay 4-symbol wins on all the ways.

Buy Feature

This game includes a Bonus Buy feature with two modes – pay 75x or 150x your bet and get instant entry to the Dinosaur Rage! Free Spins bonus!

Paying 75x bet will trigger with 3 or more Nest Scatter symbols with the same frequency as when triggering it by chance.

Paying 150x bet will trigger with 4 or more Nest Scatter symbols with the same frequency as when triggering it by chance.

The Dinosaur Rage! Free Spins works the same as when triggering it by chance. The Buy Feature may not be available in all markets.
