When you get four or more Wild Symbols on the reels in a single base game spin, it will trigger the More Monkeys! Respin feature.

During the Respin feature, the triggering Wilds will stay in their positions and the game respins reels 2, 3, 4, and 5. Any subsequent Wild symbols that land on the reels during the Respins feature will be held in position.

The Respins will continue until no new Wild Symbols land on the reels, and the win evaluation will occur when the feature ends. No Free Spins can be triggered during the Respin feature.

Monkey Frenzy! Free Spins
