

BIG BAD WOLF

CHRISTMAS Special

BIG BAD WOLF CHRISTMAS SPECIAL

Watch out little pigs, the Big Bad Wolf is here and he will huff and puff until he's blown all your houses down!

This release is based on a true Quick-spin classic, but this time in Christmas clothing! Since its release in 2013 (one of our first), Big Bad Wolf has been a huge hit and is still immensely popular to this day.

In this version, the wolf re-enters the stage to offer you a fun-filled gaming experience with all the holiday feels. But is he naughty or nice...? He'll treat you well for sure, but the three little piggies might want to watch out!

This game combines a magical winter wonderland with a proven math model, and the Swooping reels combined with the Wild feature mean the game rounds can go on, and on, and on... for a very long time!
