## SECOND STRIKE

Second Strike is our first volatile 10 line game. Our inspiration has been the classic fruit machines with their simple but elegant game mechanics.

Second Strike is a far cry from the old classic games though, as we have added an exciting twist, the Second Strike feature!

Any symbol win initiates the Second Strike feature. Players hitting a matching symbol on the outer wheel, will be rewarded with 6-10 additional symbols for a second massive win!

### Game Features

#### Second Strike feature

The Second Strike feature adds symbols to the reels if the outer wheel marker stops on the symbol from any initiating line win.

Symbol addition in Second Strike Feature  
6 to 10 extra symbols will be added to the game for additional wins.

The number of extra symbols are determined by the length of the longest paying line of that symbol.

3 of a kind = 6 extra symbols  
4 of a kind = 8 extra symbols  
5 of a kind = 10 extra symbols
