

EASTERN EMERALDS

EASTERN EMERALDS

Eastern Emeralds is set in the heart of the Asian wilderness, against a beautiful backdrop of steep mountains that are dotted with colourful temples and rice lanterns.

This slot also boasts gorgeous iconic Asian symbols, like golden dragons, fish and birds. But they're not the only things that are golden, as this extremely volatile game is also jam-packed with golden opportunities!

It boasts a unique x1680 bet win multiplier – one of the highest available in the industry! And the Multiplier wild symbols can appear anywhere on the reels as a substitute for any other symbol (except for the Bonus Scatter symbol).

So pack your bags, it's time to go East!
