## BIG BOT CREW

Journey into a parallel universe and join a disparate gang of techy teens as they build tomorrow's robots on the outskirts of a sprawling exotic metropolis. With fast-moving, high impact graphics, Quickspin's most action-packed offering yet is a 4x5 reel, 40 paylines video slot featuring unique Bigbot respins and free spins.

A cast of helpful robots guide players through the game, with special symbols that include the Bigbot Wild which triggers respins. The Bonus Scatter is also included, which initiates free spins. When three bonus scatter symbols appear in the same spin, eight free spins are unlocked, while one additional free spin is also awarded for every Bigbot Wild symbol fully landing on the reels.

Game Feature & RTP

**Bigbot respins**

Two or more Bigbot wild symbols fully landing in a base game will trigger the Bigbot respin feature. The number of respins are equal to the number of Bigbot wild symbols that fully land in the triggering spin. All full reel Bigbot wild symbols remain on the reels for the duration of the respin feature, while each additional Robotto that appears awards one additional respin.

**Mystery Nudge**

If Bigbot Wild symbols appear on two or more reels in the base game, there is the chance that any partial Bigbot Wild symbol will nudge to fully cover the reel. During the respin feature, any partial Bigbot Wild symbol may also nudge into position to fully cover the reel.

**Free Spins**

Three bonus symbols in the same spin initiate eight free spins. One additional free spin is also awarded for every BigBot Wild symbol fully landing on the reels. Any partial Bigbot Wild symbol landing during Free Spins is guaranteed to nudge to fully cover the reel. The free spins feature will pay until no free spins remain and cannot be triggered.
