

DIVINE DREAMS

The game is set within the deep rain forests of Indonesia. Within this forest a Goddess of Wealth and Prosperity is worshipped. It is said she will bring a successful harvest to those on the island.

People of the island create beautiful artefacts that worship her and the nature around her. These valuable artefacts, the connection with nature, along with the spirituality of this setting is what we have designed the symbols around.

DIVINE DREAMS

Game Feature & RTP

Mystical Multipliers

Mystical Multipliers will add extra excitement to each win. Every win in Divine Dreams will be multiplied on the Mystical Multiplier to the far right.

Super Respin

Super Respin will guarantee you minimum 1 Ying Yang wilds on reels 2-4. It is possible to get Mega Respin on the Multiplier from your Super Respin. When this happens your multiplier will be upgraded to x30 your bet. Winnings from the Super Respin will always be finished off with the mystical multiplier.

Divine Free Spins

3 or more of the Divine Free Spins symbol will open the bonus game for you. The multiplier will also finish each spin in Free Spins mode, you can even trigger Super Respin, Mega Respin and Ying Yang Wilds. In Free Spins mode the Mega Respin removes lower paying multipliers and you can get up to 30x your bet. You can also get +3 spins from the multiplier.
