Game Features

**Free Spins Bonus**

Hit 3x bonus symbols in the base game to start your free spins bonus with 15 free spins. When hitting 4x bonus symbols you'll be awarded 20 free spins and 5x bonus symbols you'll be awarded 25 free spins.

**Unlimited multiplier meter**

Within Free Spins you also have a Multiplier Meter that increases by one after every third win, and 2 additional spins are awarded. The Multiplier is applied to every win during Free Spins Bonus.

**Swooping Reels**

Any winning combination triggers the Swooping Reels feature in both the Base Game and the Free Spins Bonus. Any symbols that are part of a line win in a game round will explode and the empty spaces will be filled with symbols, tumbling down from above.

Any new wins will be added to the existing win, this feature ends when there are no new winning combinations.
