## PRIME ZONE

Wondering what to do during those long, hot summer nights? We've got you covered with our July release Prime Zone!

If you're a fan of classic casino games, you're gonna love this one! We've made this slot for the true casino fans, to appeal to their gambler souls and give them something truly special.

Picture a Las Vegas casino at night, with silhouettes of palm trees against the purple sky. In walks the legendary Rat Pack – Frank Sinatra, Dean Martin, and Sammy Davis Jr. Ok, maybe not, but it certainly feels like they could!

This stunning 3x5 reel slot with 10 betlines combines a classic look with exciting features, like Multiplier Wilds that can multiply a win by up to 5x, and a Free Spins Bonus that lets you to pick your own volatility with the pre-bonus picker! And on top of that, we've also added a mystery (I'm Feeling Lucky) free spin mode to the mix.

Mark your calendars and get ready to get in the zone!

## QUICKSPIN

### Game Features

#### Multiplier Wilds

The Multiplier Wild symbols can appear anywhere on the reels and multiply a win up to 5x! They can substitute for any other symbol, except for the Bonus Scatter symbol. If 2 or more Multiplier Wild symbols are part of a line win, a Line-Win Multiplier will be applied to the win (based on the number of Multiplier Wild symbols involved).

#### Free Spins Bonus

Get 3 Bonus Scatter symbols on reels 2, 3 and 4 to trigger the Free Spins Bonus and get 7 free spins! Pick one of the 4 modes in the Free Spins Bonus Picker to start the bonus.

The Prime Zone feature is activated on every free spin. A Prime Zone covers 3 consecutive reels, and 3 Wild symbols are placed in the Prime Zone on every spin. The All-Win Multiplier feature is also activated on every free spin, and all wins are multiplied by the All-Win Multiplier. The Bonus Scatter symbols are not available during free spins.

#### Free Spins Bonus Picker

The Free Spins Bonus Picker lets you pick your preferred Free Spins volatility! The Bonus Picker has four different modes:

- Mode 1: Prime Zone covers reel 1-2-3
- Mode 2: Prime Zone covers reel 2-3-4
- Mode 3: Prime Zone covers reel 3-4-5
- Mode 4: Prime Zone randomly appears on one of the three positions on every spin.
