

STICKY BANDITS: TRAIL OF BLOOD

A new twist on a beloved theme, Sticky Bandits Trail of Blood is the fourth game in our hugely popular Sticky Bandits franchise – and the most volatile one so far.

Tex Tallonis returns to the goldrush town where he once served as a sheriff's deputy, until he discovered that everyone in charge was using the town as their personal ATM.

On his quest for justice, Tex ended up making some powerful enemies along the way and it all blew up in his face one night. Bandits started peppering his home with bullets and Molotov cocktails, taking the lives of his wife and children... His enemies assumed he died too, but they were wrong.

One year has passed and he's back to avenge the killing of his family. It's time for revenge.

Sticky Bandits Trail of Blood is a 5-reel, 10-line game, boasting high volatility, high max wins, five different Wild symbols (one per reel), and a Free Spins Bonus with Sticky Wilds.

And will you be able to nail down a 'Blood Line' in the Free Spins Bonus? If you get one Wild per reel on a win line, they stay sticky for the rest of the bonus game – and you'll be rewarded 300x per spin!
