

AZTICONS CHAOS CLUSTERS™

AZTICONS CHAOS CLUSTERS™

Travel to central Mexico and check into a cool jungle lodge. Venture into the rainforest and hike along remote, twisty roads and steep trails as you listen to the roar of mighty waterfalls and squealing howler monkeys jumping in the treetops.

Deep inside this tropical jungle lies your final destination: the land of Tenoch, ruler of the Aztecs. As you enter his territory, cradled in lush mountains, you'll arrive at the grand and glorious Twin Temple. Navigate your way through this holy building and grab as many treasures from the great Aztec empire as you can, confronting powerful deities and other obstacles along the way.

Azticons Chaos Cluster™ is a brilliant cluster game that introduces a completely new and unique game mechanic: the Chaos Cluster™. A superb new format for cluster games, this trademarked mechanic opens up for more winning combinations and even longer win chains.

In addition, Azticons Chaos Cluster™ boasts a feature that converts symbols and helps you create clusters, a Free Spins Bonus with a progressive Multiplier, plus a chance to win up to 25,000x your bet!

Game Features

Turning Twin

After a win and an Avalanche, the game checks if any symbols of the same value and size are aligned horizontally. If two twins are found, then all symbols in between their connection will be fully or partially converted into a Twin symbol.

Free Spins Bonus

Free Spins are awarded when you land 4 or more Scatter symbols. During the Free Spins, there's a progressive Multiplier that increases by 1x with each win.

When you land 4 Scatter symbols, the Free Spins Bonus kicks off with 7 free spins, every additional Scatter you land in that spin will give you +3 extra Free Spins to start with.

During the Free Spins, there's a progressive Multiplier that increases by 1x with each win. The Free Spins can be retrIGGERED, with 3 extra free spins every time you get 4 Scatter symbols. For each additional scatter, you'll get one extra free spin.
