## BIG BAD WOLF MEGAWAYS™

Big Bad Wolf Megaways will blow your mind with its top-notch graphics, Tumble Mechanics, a Multiplier that climbs in the Free Spins Bonus (it increases with each tumble), up to 117,649 paylines. This game is one of our big highlights of 2021, merging one of our most iconic IPs and best-performing games ever with the Megaways version.

Uh-oh, the three little pigs better watch out... the world's most tenacious wolf is back and he's more determined than ever to blow down their houses and serve them up for dinner – mega determined!

After running around in the woods all day, harassing squirrels, shouting at deer, and throwing stuff at birds, he's dying for some grub. And the pigs just seem like the most delicious, protein-rich, and mouth-watering appetizers.

With months passing since his last attempt, he's meaner and leaner in every way. Equipped with stronger lungs, awesome Multiplier powers, and a whole new Megaways reel set, this wolf is practically unstoppable. Will the pigs be able to get Wild enough to defend themselves, or will they end up garnished with salt and pepper?
