

BOOK OF DUAT

BOOK OF DUAT

One day she's battling enraged T-Rex mamas, the next she's taking on some rather demonic (and very much alive) Pharaohs – our adrenaline-hungry heroine Anna the Explorer is back!

Geared up for another nail-biting quest, this time she returns to ancient Egypt in search of a valuable relic. But as soon as she enters the awe-inspiring tomb where it's rumoured to be found, all the glimmering gold is matched by the gleaming eyes of the anything-but-dead Pharaohs... yikes.

Once she gets her hands on the Book of Duat it will all be worth it though. All she has to do is battle her way past Anubis, the God of Death, and avoid getting swallowed up by Sobek, the God of Crocodiles. Piece of cake, right? Combining one of our most popular characters with a fresh take on Book games, Book of Duat offers a thrilling gaming experience.

The features include a Free Spins Bonus with a Picker screen, expanding symbols, and a Retrigger feature – and prepare to get showered in coins if you win big!

Game Features

Free Spins Bonus

In the base game: When 3 or more Wilds land anywhere on the screen, you will get 4 free spins. When 3, 4, or 5 Wilds land on the reels, you will get 3, 6, or 12 picks respectively. In addition, 1 Expanding symbol and a Multiplier of 1x will be awarded.

During the Free Spins Bonus: When 3 or more Wilds land anywhere on the screen, you will get 2 free spins. When 3, 4, or 5 Wilds land on the reels, you will get 1, 2, or 4 picks respectively.

Pick and Click is played at the start of the Free Spins Bonus.

Pick and Click

Each pick will randomly choose an award from below:

- 6 tiles of +2 free spins
- 3 tiles of +3 free spins
- 2 tiles of +5 free spins
- 1 tile of +10 free spins
- 2 tiles of +1 expanding symbol
- 1 tile of +2 expanding symbol
- 1 tile of +4 expanding symbol
- 2 tiles of +1x multiplier
- 1 tile of +2x multiplier
- 1 tile of +5x multiplier

Once an award is picked, it's removed from the pool for future picks during the current game round. Multiple copies of some awards exist, so they might still be picked multiple times. If all awards have been exhausted, any remaining picks will award +3 free spins each.

Expanding Symbol

When you enter the Free Spins Bonus, 1 Expanding symbol is awarded. More can be earned via Pick and Click.

The expanding symbols are selected randomly from the remaining non-expanding symbols. Any symbol can be an expanding symbol, except for Wilds.

During the Free Spins Bonus, and after the normal pay evaluation of each spin, each Expanding symbol will have its own pay evaluation, one at a time. During these pay evaluations, the symbols will expand to cover the entire reel and have pay anywhere. Wilds are ignored during these extra pay evaluations.

Multiplier

When entering the Free Spins Bonus, a 1x Multiplier is awarded. This value can increase via Pick and Click. All wins in free spins are multiplied by this multiplier.

Buy Feature

The Buy Feature can only be activated in the Base Game. By paying 150x, 500x, or 1600x bet, you can buy entry into the Pick and Click by purchasing 3, 4, or 5 Wilds.

Any Pick and Clicks bought will be triggered by a base game spin, which randomly awards at least as many Wilds as you've bought. The payouts are 96,50, 96,71, 96,91 respectively for 3, 4, 5 Wilds bought.

The Buy Feature may not be available in all markets.
