## WILD HARLEQUIN

Welcome to the smoky back tent of an independent circus, where a talented magician owns the stage. But is she really alone up there? Or does she have a twin...?

It's all smoke and mirrors in this show. Nothing is what it seems, and everything turns out to be even more fantastical than the card tricks being performed.

Catch this travelling circus while you can, because once this sneaky lady has moved on with her entourage there's no trace to be seen. Not even a dent in the field. Makes you wonder if it was all a dream...

Wild Harlequin is a 5x3 slot with 10 paylines, featuring Wild Harlequin symbols that always nudge to cover the entire reel, plus a Free Spins Bonus with Multiplier magic – and if you hit the BIG win, you'll know it really happened!

### Game Features

#### Wild Harlequin Symbol

This game is all about the Wild Harlequin! This symbol appears on all reels, substitutes for all symbols, and always nudges to cover the reels.

#### Free Spins Bonus

3 or more Wild Harlequins will kick off the Free Spins bonus with 10 free spins! All triggering reels become Magic Reels, building up huge Multipliers and awarding extra free spins along the way.

#### During Free Spins:

Any Wild Harlequin that lands on a Magic Reel will increase the win multiplier by +1

Any win that includes a Wild Harlequin on a Magic Reel gets multiplied by that reel's multiplier

Magic Multipliers are multiplied by each other, so if you land a Wild Harlequin on 3 Magic Reels with x3, x7, and x2, and a win involves all those reels, the total multiplier will be x42 (3 x 7 x 2)  
Every time a Magic Reel reaches a Multiplier of x5 (x5, x10, x15, etc.), 2 extra free spins will be awarded

If a win reaches 30,000x bet, the bonus game will end and you'll be awarded this amount
