Game Features

Expanding Play Area

Each round in the base game starts with a play area of five reels of height 4, plus one locked area of height 3.

Every tumble that creates a winning combination will expand the play area by opening up three randomly selected locations in the locked area and reveal the symbol underneath. The expansion continues for as long as there are new winning tumblers.

Wild

The Wild symbols substitute for all symbols except for the Bonus Scatter symbol.

Second Chance Feature

If there are 2 Bonus Scatter symbols in the open area once all tumblers have been completed, the Second Chance Feature will occur.

The Second Chance Feature clears the open play area of all symbols except for the 2 Bonus scatters. The play area will be expanded by opening up three randomly selected locations from the locked area, and new symbols drop down to fill the cleared spaces.

Truck Raider Bonus

If there are 3 or more Bonus Scatters in the base game, the Truck Raider Bonus game will be awarded. If there are more than 3 Bonus scatters, the Truck Raider Bonus game will start with one extra Expander symbol per additional Bonus Scatter.

The Truck Raider bonus game will start with 3 Cash Stack symbols placed at random locations. All symbols in the Truck Raider Bonus game display their value in multiples of the base bet in the game.

The bonus game will start with 3 spins awarded. For each spin, new Cash Stack and/or special symbols can appear. New symbols remain for the entire Truck Raider bonus game.

If one or more new symbols land on a spin, the spin counter is reset to 3. Otherwise, it's decreased by 1.

At the end of the Truck Raider bonus game, the player will be awarded the sum of all the current symbols multiplied by the bet.
