

GOLDEN GLYPH 3

Has history taught us nothing!? The Gods' power cannot be wielded by mere mortals such as ourselves. Horus played with Power Glyphs™ and Chaos Clusters™ like a baby would a doll. When we saw him wield those powers with ease, we immediately began plotting to harness them for ourselves. Golden Glyph 3 takes you deep into the heart of Ancient Egypt for another adventure of epic proportions where you can use Power Glyphs™ to trigger Power Ups and gain entrance to the Free Spins round with an unlimited multiplier that's the envy of the gods.

Golden Glyph 3 is a 7-reel, 5 to 9 high cluster-pay, game that features 2 of Quickspin's trademarked mechanics, Chaos Clusters™ and Power Glyphs™ that trigger Power-ups as well as a Free Spins bonus with an unlimited multiplier.

The game will be made available in 3 different RTP versions: 96, 94 and 87 to ensure the game has a wide reach as well as healthy margins for all markets
