FREE SPINS BONUS

In the base game: When 3 or more Wilds land anywhere on the screen, you will get 4 free spins. When 3, 4, or 5 Wilds land on the reels, you will get 3, 6, or 12 picks respectively. In addition, 1 Expanding symbol and a Multiplier of 1x will be awarded.

During the Free Spins Bonus: When 3 or more Wilds land anywhere on the screen, you will get 2 free spins. When 3, 4, or 5 Wilds land on the reels, you will get 1, 2, or 4 picks respectively.

Pick and Click is played at the start of the Free Spins Bonus.

PICK AND CLICK

Each pick will randomly choose an award from below:

- 6 tiles of +2 free spins
- 3 tiles of +3 free spins
- 2 tiles of +5 free spins
- 1 tile of +10 free spins
- 2 tiles of +1 expanding symbol
- 1 tile of +2 expanding symbol
- 1 tile of +4 expanding symbol
- 2 tiles of +1x multiplier
- 1 tile of +2x multiplier
- 1 tile of +5x multiplier

Once an award is picked, it's removed from the pool for future picks during the current game round. Multiple copies of some awards exist, so they might still be picked multiple times. If all awards have been exhausted, any remaining picks will award +3 free spins each.

EXPANDING SYMBOL

When you enter the Free Spins Bonus, 1 Expanding symbol is awarded. More can be earned via Pick and Click.

The expanding symbols are selected randomly from the remaining non-expanding symbols. Any symbol can be an expanding symbol, except for Wilds.

During the Free Spins Bonus, and after the normal pay evaluation of each spin, each Expanding symbol will have its own pay evaluation, one at a time. During these pay evaluations, the symbols will expand to cover the entire reel and have pay anywhere. Wilds are ignored during these extra pay evaluations.

MULTIPLIER

When entering the Free Spins Bonus, a 1x Multiplier is awarded. This value can increase via Pick and Click. All wins in free spins are multiplied by this multiplier.

BUY FEATURE

The Buy Feature can only be activated in the Base Game. By paying 150x, 500x, or 1600x bet, you can buy entry into the Pick and Click by purchasing 3, 4, or 5 Wilds.

Any Pick and Clicks bought will be triggered by a base game spin, which randomly awards at least as many Wilds as you've bought.
