

CATRINA'S COINS

In the heart of Pueblo del Cielo, the spirit of Dia de los Muertos thrives all year long. The town is abuzz with preparations for the grand fiesta. At the centre, stands Catrina, elegantly in vibrant hues. Legend has it that she guards a treasure trove of mystical coins that grant immense fortune to those proven worthy.

The air is filled with music, and the colours of the fiesta dance before you. The Catrina Coins, bearing the mark of eternity, hold the promise of prosperity beyond your wildest dreams and wilds light up the reels like marigolds in the moonlight. As the festivities reach their peak, the Pueblo del Cielo Bonus Game takes you to the village in the sky and when the Stars align, Piñatas burst forth with multipliers amplifying your wins. The music crescendos, and you're on the edge of your seat, knowing that the next spin could bring you wins of up to a staggering 10000x your bet.
