

BIG BAD WOLF: PIGS OF STEEL

The Big Bad Wolf will not rest until he has his majestic dinner after years of huffing and puffing. But the three little pigs have learnt their lesson, they come prepared with 'steel' ... BUT... do they win?

Big Bad Wolf: Pigs of Steel takes you to the beloved and familiar farm setting of Quickspin's Big Bad Wolf series, with an interesting turn of events. When the little Piggies turn Wild, they get upgraded to fortified frames after successful tumbles, making them stay longer on the reels despite Wolf attacks, creating new winning combinations. But excitement spikes when the Wolf Bonus Symbols land and trigger one of the 3 Bonus Games!

Big Bad Wolf: Pigs of Steel is a 3x5 reel tumbling game that features the Pigs Turn Wild and Pigs of Steel features. There are also 3 different Bonus Games that contain the chance to activate multipliers, where you can win up to 18000 x your bet.

The game will be made available in 4 different RTP models: 96, 94, 92 and 87 to ensure the game has a wide reach as well as healthy margins for all markets.
