WILDS

Wilds substitute for all symbols except the Crystal Balls, Snowflakes and Crystal Coins symbols for payout purposes.

BASE GAME CRYSTAL BALLS

Landing a Crystal Ball symbol reveals a random multiplier (2x, 3x, 4x or 5x) and will multiply any line wins and any Snowpot wins.

BONUS GAME CRYSTAL BALLS

Landing a Crystal Ball symbol reveals a random multiplier (2x, 3x, 4x or 5x) and will multiply any Snowpots and Crystal Coins on the reels.

CRYSTAL COINS

Landing 3 or more Crystal Coins in the base game triggers the Frozen Fortune Bonus Game. The Crystal Coins that triggered the Frozen Fortune bonus will be transferred to the same position in the Bonus Game and will have a random value between 1x to 5x bet.

SNOWFLAKES AND SNOWPOTS

Landing a Snowflake will award a fixed Snowpot prize of 2000x, 500x, 100x or 20x your bet. During the base game, Snowflakes can land on the rightmost reel. During the Frozen Fortune Bonus Game, they can land on any reel.

THE FROZEN FORTUNE BONUS GAME

When the Frozen Fortune Bonus Game begins, you start with 3 lives that are reset back to 3 when a symbol lands on the reels. Snowflakes and Crystal Coins each carry a value shown on the reels during the game. Any Crystal Ball Multipliers that land on the reels will multiply the values of all Snowflakes and Crystal Coins. At the end of the Bonus Game, all Snowflakes and Crystal Coins values on the reels will be added up for the total win of the Bonus Game.

BUY FEATURE

The Buy Feature can be activated during the base game by paying 60x your bet. This will trigger the feature with 3+ Crystal Coins symbols.
