

# SAKURA<sup>TM</sup> FORTUNE

EPIC BLOOM

## Sakura, Quickspin's legendary warrior princess, returns in the latest instalment of the beloved franchise!

Inspired by the original game, the newest rendition has been crafted for the modern player, featuring an updated maths model as well as newer features such as Gamble, Extra Bet and a Buy Feature that were not part of the original title. We have remained faithful to the timeless classic and Sakura Fortune Epic Bloom includes the iconic Sakura Nudge and Sticky Wilds mechanics that fans adore.

## NUDGE

A partial Princess Wild may Nudge to cover whole reel and trigger Sakura Fortune Respins.

## SAKURA FORTUNE RESPINS

When a full stack Princess Wild lands or nudges in, it triggers 1 Respin. Each additional Princess Wild that lands or nudges in will award an extra Respin.

## FREE SPINS

Landing 3 of any combination of Princess Wilds and Bonus Symbols will award 8 Free Spins.

Landing 4 of any combination of Princess Wilds and Bonus Symbols will award 12 Free Spins.

Landing 5 of any combination of Princess Wilds and Bonus Symbols will award 16 Free Spins.

## EPIC BLOOM FREE SPINS

If you land 1 Super Bonus Symbol along with 2 Princess Wilds or Bonus Symbols, you will be awarded 8 Epic Bloom Free Spins. Landing 1 Super Bonus Symbol plus 3 Princess Wilds or Bonus Symbols will give you 12 Epic Bloom Free Spins. If you manage to land 1 Super Bonus Symbol along with 4 Princess Wilds or Bonus Symbols, you will receive 16 Epic Bloom Free Spins.

Epic Bloom Free Spins has an added twist. Whenever one or more Princess Wilds cover the entire reel, a multiplier is chosen and applied to that spin and its Respin. If a new Princess Wild lands during the Respin, a greater or equal multiplier is chosen. The possible multipliers are 2, 3, 5, or 100.

## GAMBLE

Players have the option to gamble and win up to 16 Free Spins when triggering Free Spins with 3 or 4 Bonus and Princess Wild Symbols. Similarly, players can gamble to win up to 16 Epic Bloom Free Spins when triggering Epic Bloom Free Spins with 2 or 3 Bonus, Princess Wild, and Super Bonus Symbols.

## BUY FEATURE

Players can buy entry into Free Spins for 80x the bet with three Bonus symbols. Entry into Epic Bloom Free Spins can be purchased for 160x the bet with two or more Bonus symbols plus one Super Bonus Symbol.

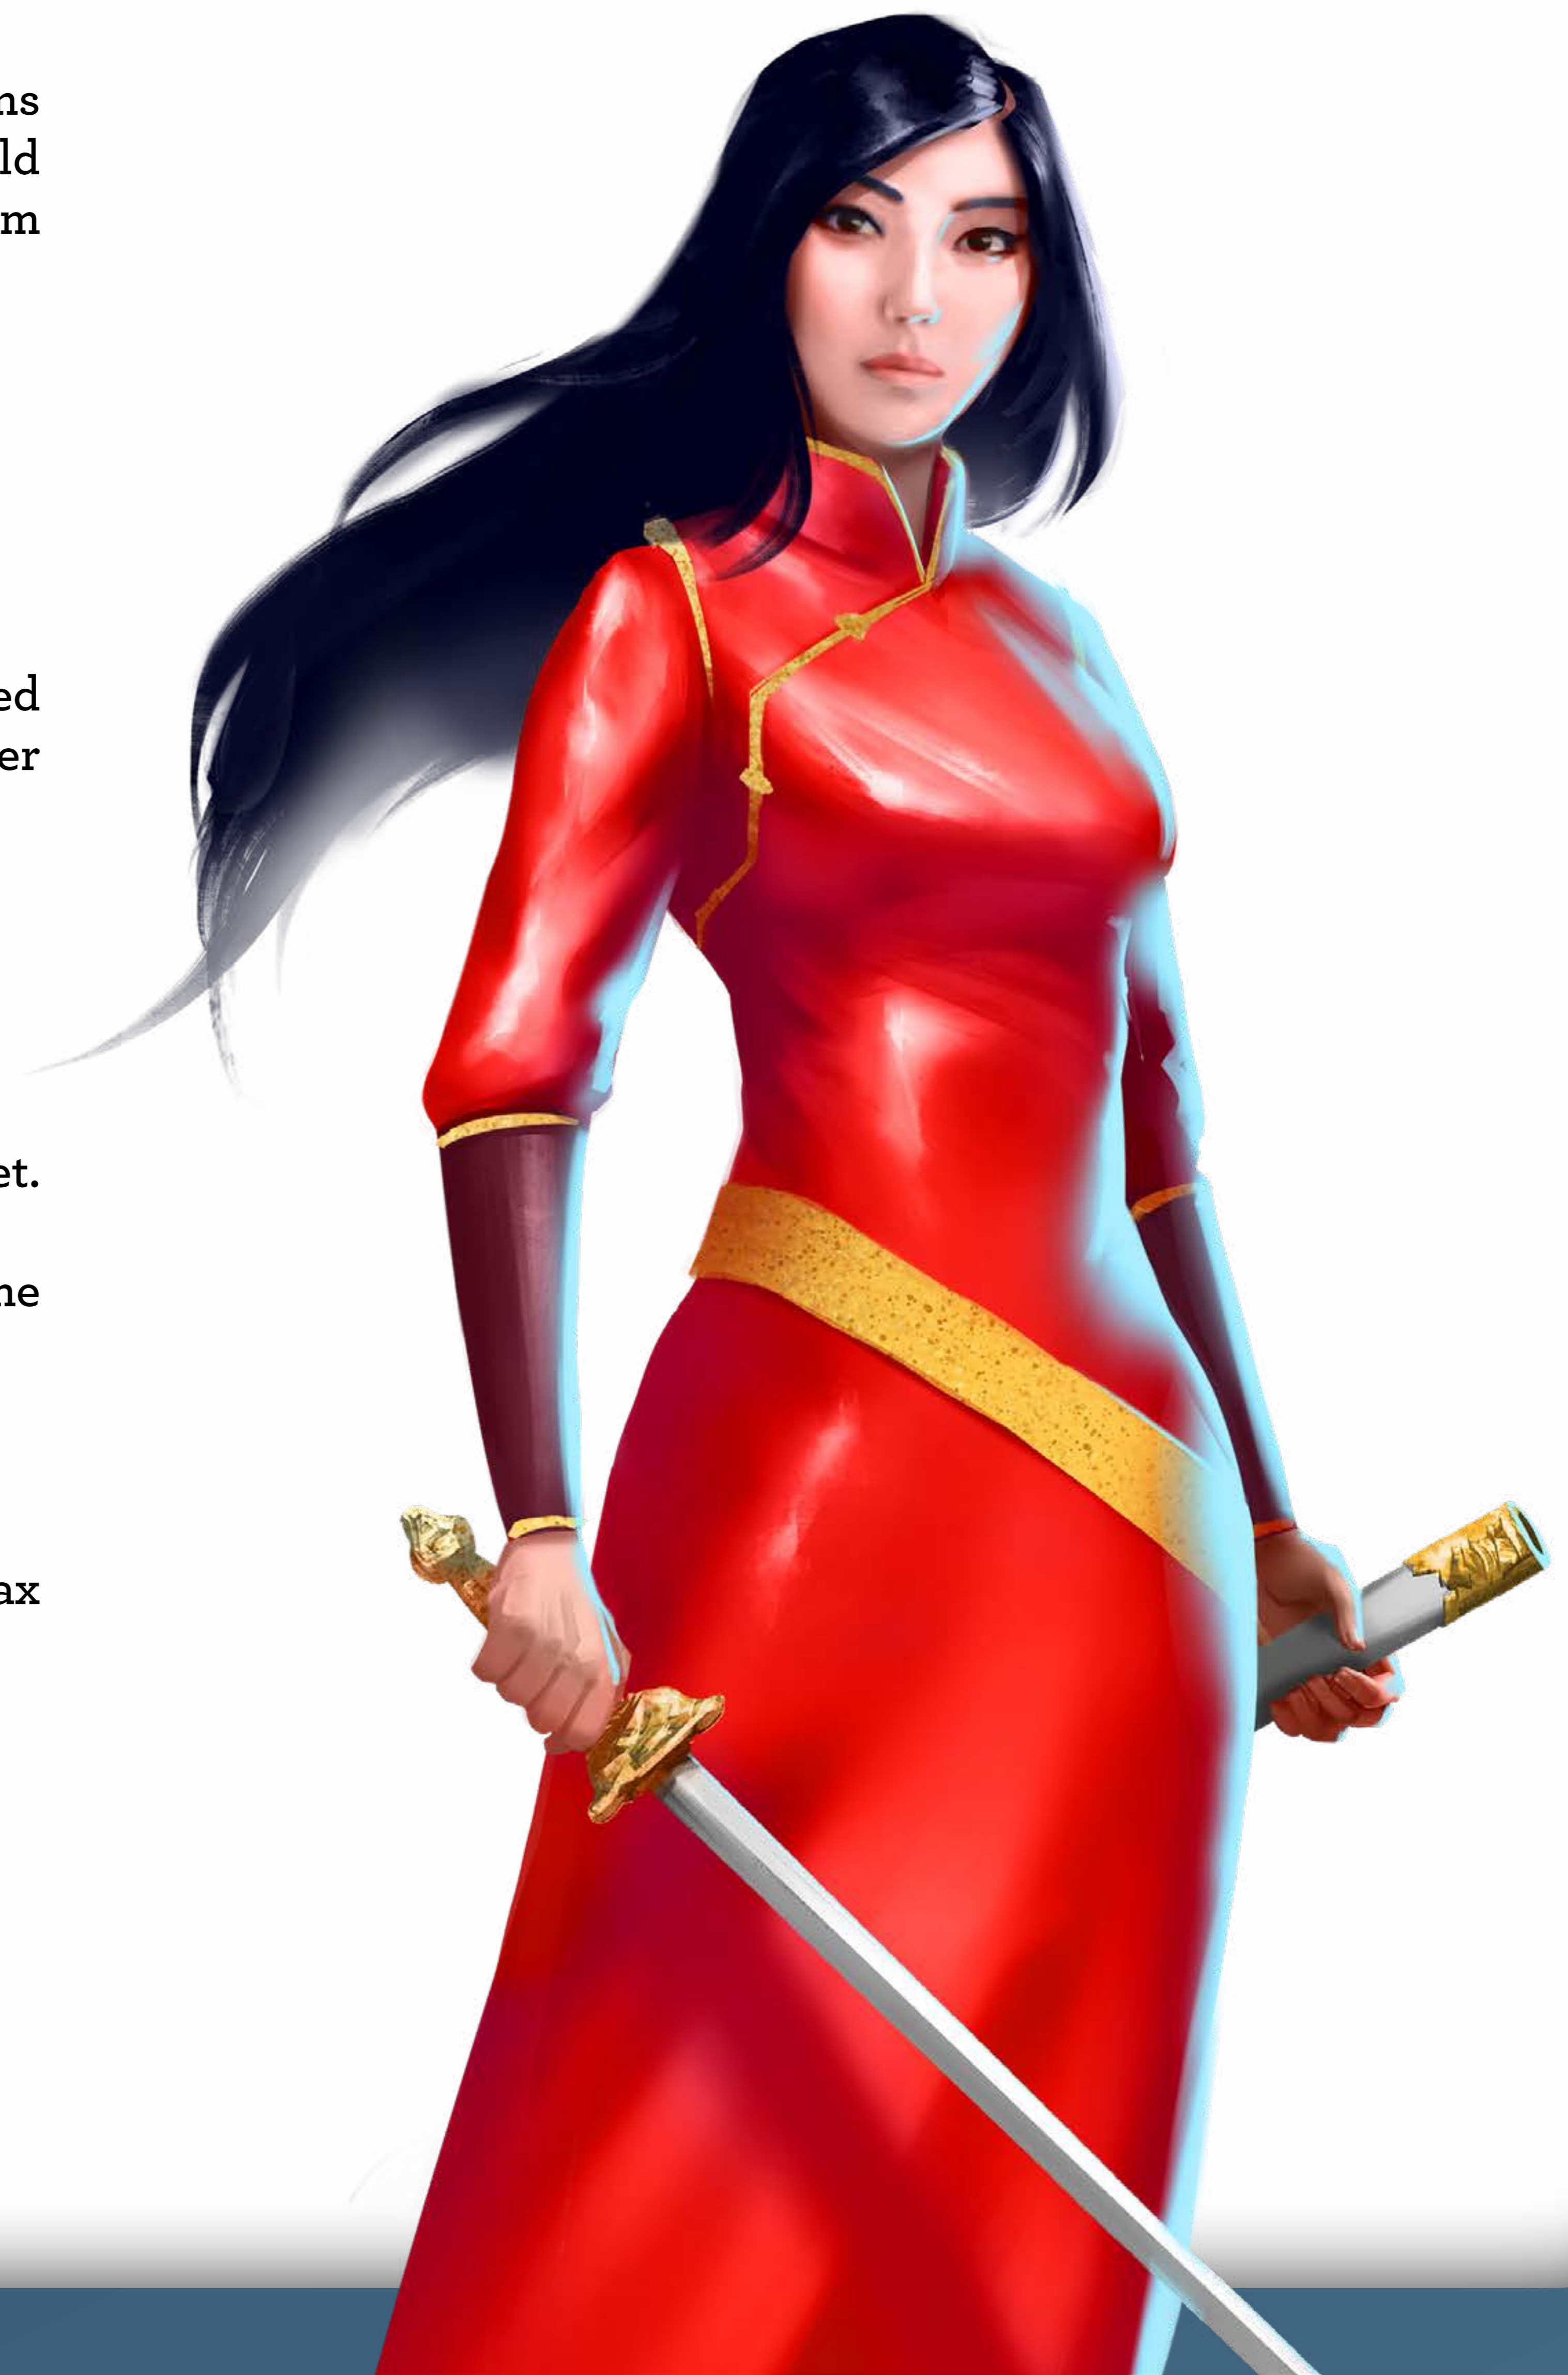

Not all Buy Feature levels are available in all markets.

## EXTRA BET

The Extra Bet can be activated in the base game by paying 2x bet. By activating the Extra Bet, players increase their chances of landing Princess Wilds on the reels, which in turn increases the chances of triggering Free Spins and Epic Bloom Free Spins.

## FULL BLOSSOM

A total win of 10000x triggers Full Blossom and awards the Max Win of the game. The Full Blossom ends the game round immediately and pays out the winnings.
