

CASH TRUCK

Begins

Before cyberpunk heists and high-tech skullduggery, it was just muscle, steel, and blood.

Cash Truck Begins takes the beloved IP back to its ruthless roots, where warring clans rule the lands. When a wagon piled high with gold crosses the wasteland, there's only one way this ends: in a full-scale barbarian raid. Blades will clash, bones will break, and the spoils will go to the last warrior standing.

CASH TRUCK BEGINS

(96%, 94%, 92%, 84%)

TUMBLING REELS

Symbols in winning combinations are removed, and new symbols drop down to fill their spaces. The tumbling continues for as long as there are new winning combinations. Each tumble win is added to the total win.

EXPANDING PLAY AREA

Each round in the base game starts with a play area of five reels of height 4, plus one locked area of height 3.

Every tumble that creates a winning combination will expand the play area by opening up three randomly selected locations in the locked area and revealing the symbol underneath. The expansion continues for as long as there are new winning tumbles.

WILD

The Wild symbols substitute for all symbols except the Bonus Scatter symbol.

BIG WILD

After there are no locked spots in the base game, after all tumbles have been completed, a 3x3 Big Wild will be placed in the center of the play area, and the win will be evaluated.

SECOND CHANCE SCATTER

If there are 2 Bonus Scatter symbols in the open area once all tumbles have been completed, the Second Chance Scatter will occur.

The Second Chance Scatter clears the open play area of all symbols except for the 2 Bonus scatters. The play area will be expanded by opening up three randomly selected locations from the locked area, and new symbols drop down to fill the cleared spaces.

BONUS GAME

If there are 3 or more Bonus Scatters in the base game, the Bonus Game will be awarded. If there are more than 3 Bonus scatters, the Bonus Game will start with one extra Expander symbol per additional Bonus Scatter.

The Bonus Game will start with 3 spins awarded. For each spin, new special symbols can appear. New symbols remain for the entire Bonus Game.

If one or more new symbols land on a spin, the spin counter is reset to 3. Otherwise, it's decreased by 1.

At the end of the Bonus Game, the player will be awarded the sum of all the current symbols multiplied by the bet.

SPECIAL SYMBOLS

GRABBER: The Grabber symbol adds the value of all other symbols in the unlocked play area to its own value upon landing.

BRUTAL GRABBER: The Brutal Grabber symbol adds the value of all other symbols in the unlocked play area to its own value upon landing and on every spin where any other symbol lands thereafter for the duration of the Bonus Game.

DOUBLER: The Doubler symbol doubles its value each time the spin counter is reset to 3.

ZAPPER: The Zapper Symbol doubles the value of all symbols connected to it orthogonally in a chain of symbols upon landing.

BRUTAL ZAPPER: The Brutal Zapper symbol doubles the value of all symbols connected to its cluster by touching sides and on every spin where any other symbol lands thereafter throughout the Bonus Game.

BOOSTER: The Booster symbol adds its value to all other symbols in the unlocked play area upon landing.

BRUTAL BOOSTER: The Brutal Booster symbol adds its value to all other symbols in the unlocked play area upon landing on every spin where any other symbol lands thereafter for the duration of the Bonus Game.

UPGRADER: The Upgrader symbol upgrades symbols immediately above, below, to the left, or to the right of the upgrader symbol. A Cash symbol can be upgraded to a Grabber or a Booster. A Grabber, Zapper, or a Booster gets upgraded to the Brutal version of the symbol.

EXPANDER: The Expander symbol unlocks 3 randomly chosen locations from the locked area.

MAX RAID

A total Bonus Game win of 20,000 x the bet will end the Bonus game, and the player will be paid 20,000 x the bet.

BUY FEATURE

Pay to get instant entry to the Bonus Game! The Buy feature can be activated from the Base Game.

For a cost of 40x the base bet, you can buy entry to the Bonus Game with a guarantee of at least 3 Bonus Scatters.

For a cost of 185x the base bet, you can buy entry to the Bonus Game with a guarantee of at least 5 Bonus Scatters.
