

Meet the Robbits, an awesome foursome and Quickspin's latest IP. You get to join the crew on their daring heist of the Fur Seasons Casino and Hotel.

Robbits is a Cluster-Collect game played on a 5x5 reel grid that can expand up to 8x8. It features Tumble Mechanics, Carrot Power Ups, Expanding Reels, and Upgradable Symbols.

In Free Spins, all upgrades and multipliers remain active for the entire feature. Robbits also arrives with Extra Bet that increases the chances of Carrots appearing and being eaten. Plus a Buy Feature if you want to jump straight into the action of the Bonus Game.

SYMBOLS & SPECIAL FEATURES

WILD SYMBOL

Substitutes for all Chip symbols and can be collected by multiple Robbits in the same spin.

BONUS SYMBOL

Collect 3 Bonus symbols to trigger Free Spins. Each additional Bonus symbol adds +1 Free Spin.

UPGRADER

Each spin starts with four Chip types at base level. When a Robbit collects an Upgrader, all Chips of the same color upgrade by one level and stay upgraded for that spin.

Chips can upgrade up to 5 levels.

Each Upgrader can only be used once.

SUPER UPGRADER

Works like an Upgrader but upgrades all Chips, regardless of color, by one level.

HELIPAD

Expands the grid by one row and column and triggers a new tumble with Robbits repositioned.

CARROT

Guarantees a Power Up for that Robbit at the end of tumbles.

Robbits can collect multiple Carrots before a Power Up activates.

Each Carrot adds to the Robbit's personal multiplier pot, which persists for the entire spin and throughout Free Spins.

GAME FEATURES

CLUSTER-COLLECT

Four Robbits, four colors, four Chip types. The Robbits move across the grid, collecting adjacent Chips horizontally or vertically. Wins occur when the Robbits collect paying Chips. After all Chips have been collected and the Robbits are finished, new Chips tumble in to fill gaps.

POWER UP

Triggered at the end of a tumble after the Carrots are collected. Each Robbit runs its own Power Up, applying its multiplier pot to wins during collection.

ROBBIT POWER UPS

CAP - THE RED ROBBIT

Upgrades all red Chips by two levels and swaps all Robbits' positions. Its multiplier applies to every Robbit's collection.

SWITCH - THE PURPLE ROBBIT

Converts surrounding Chips into purple Chips (except non-pay Chips), then collects them with its multiplier.

GLITCH - THE GREEN ROBBIT

Instantly collects all green Chips without moving, applying its multiplier.

BOB - THE BLUE ROBBIT

Jumps to other Robbits' positions, collecting blue Chips around them. After each hop, original Robbits return. Multiplier applies to all collected wins.

EXTRA FEATURES

EXTRA BET

Available in the Base Game only. For 2x your bet, increase the chance of landing Carrots and triggering Power Ups. (Not available in all markets.)

BUY FEATURE

Enter Free Spins instantly for 70x your bet. (Availability varies by market.)
