

FIRE Tale

The powers weren't inherited , they were earned. Years of blood, sweat, and tears. Trials, tribulations, and a few singed eyebrows later, he became a master of flame.

From fire dancing to controlled explosions, he studied every flicker and flare until the element bent to his will. Now, he's not just lighting up the reels, he's setting the stage for a blazing adventure.

Meet the Flamekeeper: part performer, part pyro-technician and all fire. He's got style, precision, and an internal flame that can never be extinguished. Whether it's igniting Dragonpots or unleashing fiery features, he brings heat with every spin.

NUDGING WILDS & FIRE RESPINS

WILD SYMBOL

Appears on reels 2, 3, and 4. Substitutes for all symbols except Bonus.

WILD NUDGE

Partial Wilds may nudge to cover the entire reel, triggering Fire Respins. Each nudge adds a +1x multiplier, and Wilds multiply all wins they're part of. Multiple Wilds can combine for even bigger multipliers.

FIRE RESPINS

Fully stacked Wilds become sticky and award 2 Respins. During Respins, new stacked Wilds also become sticky and grant +1 extra Respin regardless of how many land.

FUSION FREE SPINS

Land 3, 4, or 5 Bonus symbols to activate Fusion Free Spins.

FUSION SYMBOLS

Four levels of symbols appear during Free Spins. Matching two of the same level (up to level 3) merges them into the next level.

FUSION METER

Tracks symbol merges. Starts with 4 empty spots and increases up to 6.

- Fill 4 spots: +3 Free Spins
- Fill 5 spots: +5 Free Spins
- Fill 6 spots: +7 Free Spins

The meter resets after each full charge and expands its capacity.

FIREWORK PRIZES & DRAGONPOTS

At the end of Free Spins, each Fusion Symbol reveals a random prize based on its level.

Level 3 and 4 symbols may reveal Dragonpots, offering even greater rewards.

DRAGON'S FORTUNE

Achieving the total win threshold will trigger Dragon's Fortune and award the Max Win of 5000x, ending the round with a fiery finale.

EXTRA BET

Activate Extra Bet for a cost of 1.5x your bet.

Wilds can land on the 5th reel and there is an increased chance to land a Wild on the reels, increasing the chance to trigger the nudge and fire respins.
